

During this time of staying at home, there are still great ways to support our partner families. And you can have fun while doing it!

Here are just a few ways you can help from home!

- » **Make reusable fabric facemasks for staff & volunteers.**
- » **Write a note of encouragement to our homeowners in progress. Share your good wishes or your favorite motivational quote.**
- » **Are you an e-notary? Our Family Services team needs you if you have the credentials to notarize deeds and other documents electronically.**
- » **Make a doormat or ribbon wreath for a new homeowner. *Here's more info on each:***
