Organization Type: Check all that apply to the focus area of your organization.

- Transportation
- Safety
- Housing
- Health
- Education
- Economic
- Other _____

Are you a 501 (c)(3)?

Proposed Project, Program, or event and Details

Project Name:

Project Address:

Amount Requested:

Total Budget Cost:

Anticipated Start and End Date:

What need, in your community, will this project, program, or event address?

If it is successful, what will be the impact? (Please include who will be served and how many)

Will this project, program, or event serve participants outside the neighborhood identified above? If so how many?

How does this project align with other improvement efforts in the neighborhood?

Please list all partners (i.e. other non-profits, neighborhood associations, local government) you're working with in the focus neighborhood and describe their role (if any) in this project.

How do you plan to promote this project, program, or event to these partners and the participants you plan to serve?

What are the goals that you hope to achieve with this project, program, or event?

Final Reporting: The organization will also provide a detailed Final Report document after the project is fully complete. Information requested shall include the following without limitation:

1. A full project narrative detailing the story behind and for the work completed on the project, including the impact the sponsored project had on its participants and community at large. (detailed within final report)
2. Feedback and quotes from project participants

Budget

Please attach your project budget worksheet

**Upon completion of your NR Grant application,
please submit it to neighborhood@habitatCLTregion.org.**

Should your neighborhood or organization received a Neighborhood Revitalization Grant Award, the next section will be completed at the end of the project.

Neighborhood Revitalization Grant Project Final Report 2020-2021

Information about the Neighborhood

Neighborhood Name (focus neighborhood):

Organization Name:

Organization Address:

Neighborhood Contact: (Email and Phone number)

Organization Contact (President, email, phone number):

Project, Program, or event Narrative

Please complete the table with the number of participants you **projected** to serve in the beginning of your project and how many you **actually** served at the end of the project.

	<i>Projected</i> number served?	<i>Actual</i> number served?
# of youth served within the community?		
# of adults served within community?		
# of youth served outside the community?		
# of adults served outside the community?		

Please explain how you promoted your project to your current partners, program participants and surrounding areas?

How did your project address a specific need in your community?

Did you achieve all the goals set for your project? Please explain how.

What feedback, quotes and photos did you receive from your project participants? Please include below. Photos may be uploaded as an attachment.

THANK YOU!!!
