

team build corporate partnership

A Team Build is a one-day construction experience for you and your group of 10-15 people, working together to build a new Habitat house!

A financial investment of \$5,000, along with the donation of volunteers' time, helps offset the cost of labor and materials for a home.

Have questions or ready to schedule your Team Build? Contact Crista Ray at **CRay@habitatCLTregion.org** or **980.859.5573**.

partnership benefits:

customized build experience

- » Priority scheduling and reserved build site
- » Skilled supervision and dedicated site host

branding & recognition

- » Build day highlight post on Habitat Charlotte Region's LinkedIn page
- » Recognition in annual Community Impact Report

employee engagement

- » Opportunity to schedule Book Drive with Julia's Café & Books
